

Thu 23 Mar
12:00 - 14:00 | **Registration**
Other

Thu 23 Mar
14:00 - 14:25 | **Welcome - Opening Ceremony**
Other

Chair : Alexandra F. Santos (United Kingdom), Alberto Alvarez-Perea (Spain), Annamaria Salpietro damiano (Italy), Stefano Del Giacco (Italy)

14:00 **Welcome - Opening Ceremony**

14:15 **Memorial of Giovanni Pajno**
Stefania Arasi (Italy)

Thu 23 Mar
14:25 - 15:40 | **Impact of Food Allergy**
Session

Chair : Alexandra F. Santos (United Kingdom), Karin Hoffmann-Sommergruber (Austria)

14:25 **Epidemiology and natural history of food allergy**
Graham Roberts (United Kingdom)

14:50 **Severity of allergic reactions**
Montserrat Fernandez Rivas (Spain)

15:15 **Psychological burden and quality of life in food allergy**
Rebecca Knibb (United Kingdom)

Thu 23 Mar
15:40 - 16:00 | **Coffee Break**
Other

Thu 23 Mar
16:00 - 17:45

Food allergens

Session

Chair : Graham Roberts (United Kingdom), Annamaria Salpietro damiano (Italy)

16:00 **Food allergens**
Clare Mills (United Kingdom)

16:25 **New food allergens and cross-reactivity**
Ronald van Ree (Netherlands)

16:50 **What's new in molecular allergology: MAUG 2.0**
Karin Hoffmann-Sommergruber (Austria)

17:15 **Gibberellin regulated proteins (GRP) allergy: Clinical features of Spanish case series**
OA1
Helena Valero (Spain)

Thu 23 Mar
18:00 - 19:00

Poster discussion session 1

Posters

Chair : Alexandra F. Santos (United Kingdom), Alberto Alvarez-Perea (Spain), Annamaria Salpietro damiano (Italy), Tomás Chivato (Spain)

18:00 **Suspected food allergy at the ENT outpatient care**
P001
Eszter Lupseáné (Hungary)

P004 **Anaphylactic reaction to walnut in a pollen-LTP sensitized patient**
Cosmina Rusu (Romania)

P008 **Shrimp allergy diagnosis: in vitro versus in vivo testing**
Agne Savonyte (Lithuania)

18:10 **Egg-provoked FPIES: case presentation in an adult patient**
P002
Denisa Mihaela Nedelcu (Romania)

P005 **Hypereosinophilia with symptoms of eosinophilic gastroenteritis due to goji berry (*Lycium barbarum*) ingestion**
Evaggelia Apostolidou (Greece)

P010 **Ginger allergen as the culprit in three episodes of anaphylaxis**
Daniela Brandão Abreu (Portugal)

18:20 **Flaxseed anaphylaxis: an emerging allergen at any age**
P003
Diogo Mota (Portugal)

P009 **Double trouble: tropomyosin and arginine kinase sensitisation in an allergic patient**
Mihaela Ruxandra Udrea (Romania)

P012 **Clinical and immunological profile of children with severe cow`s milk and egg allergy before**

oral immunotherapy with trigger allergen

Alice-Florentina Serban (Romania)

18:30
P006

Anaphylaxis to contaminated subcutaneous drug for alopecia

Mercedes Gonzalez (Spain)

P011

Hidden trigger for cow's milk-induced anaphylaxis – a case report

Maria-Lucia Apostol (Romania)

P015

Introduction of food after negative food challenges

Mariana Bragança (Portugal)

18:40
P013

Case report of two patients: Sever Protein-Loss in Atopic Dermatitis

Marta Navratil (Croatia)

P017

Allergy to Pig Lungs but not to Mammalian Meat Caused by Alpha-gal Syndrome, Case Report

Gabija Biliute (Lithuania)

P022

Anaphylaxis to banana and persistent sensitization to thaumatin-like-protein: a case report

Ana Luísa Pinhal (Portugal)

Thu 23 Mar
19:15 - 21:00

Welcome Dinner

Other

Friday 24 March

EAACI Allergy School 2023

Fri 24 Mar
09:00 - 10:30

Food Allergy Diagnosis

Session

Chair : Alberto Alvarez-Perea (Spain), Helen Brough (United Kingdom)

09:00

Allergy test to diagnose IgE-mediated food allergy

Alexandra F. Santos (United Kingdom)

09:25

Diagnostic approach to non-IgE mediated food allergy

Jean-Christoph Caubet (Switzerland)

09:50

Eosinophilic esophagitis and gastroenteritis

Stefania Arasi (Italy)

10:15
OA2

The value of a basophil activation test with progressively less heated forms of egg for hen's egg allergic children

Liselot De Vlieger (Belgium)

Fri 24 Mar
10:30 - 11:00

Coffee break

Other

Fri 24 Mar
11:00 - 12:30

Practical sessions on Diagnosis (group rotation)

Session

- 11:00** **Skin prick testing**
Cristina Quecchia (Italy), Jean-Christoph Caubet (Switzerland)
-
- 11:30** **Specific IgE testing and molecular allergology**
Laura Colavita (Italy), Alberto Alvarez-Perea (Spain)
-
- 12:00** **Oral food challenges**
Annamaria Salpietro damiano (Italy), Isabel Skypala (United Kingdom), Ru-Xin Foong (United Kingdom)
-

Fri 24 Mar
13:30 - 14:30

Poster discussion session 2

Posters

Chair : Annamaria Salpietro damiano (Italy), Alexandra F. Santos (United Kingdom), Alberto Alvarez-Perea (Spain), Tomás Chivato (Spain), Ru-Xin Foong (United Kingdom)

- 13:30** **Phenotyping gastrointestinal symptoms in lipid transfer protein food allergy**
P016 Maria Ruano-Zaragoza (Spain)
-
- P021** **Hypereosinophilia - just a food allergy?**
Nedelcu Ancuța-Mădălina (Romania)
-
- P024** **Alpha-gal allergy: the case report from Georgia**
Maia Rukhadze (Georgia)
-
- 13:40** **Eosinophilic esophagitis - the need for multidisciplinary management**
P014 Catalina Cernat (Romania)
-
- P018** **Allergy to Lipid Transfer Proteins in children – persistent or transient?**
Susana Piedade (Portugal)
-
- P023** **Limpet allergy: a case report**
Filipa Rodrigues dos Santos (Portugal)
-
- 13:50** **Alpha-gal allergy in an adult hunter – case report**
P019 Vesna Vukicevic Lazarevic (Croatia)
-
- P025** **Eosinophilic esophagitis in children – 10 years of experience in 1 centre**
Vendula Látalová (Czech Republic)
-

P028 **Trends in pediatric referrals to an Allergy Department for food allergy: shift in a decade (TRADE study)**
Daniela Brandão Abreu (Portugal)

14:00
P020 **Evaluation of Ara h 2-specific human monoclonal IgE antibodies for use in a humanized RBL cell test system**
Maike Schott (Germany)

P026 **Do children from a mother suffering from an autoimmune disease have a higher risk of developing IgE-mediated food allergies?**
Michela Williams (Italy)

P030 **Urticaria multiforme associated with Mycoplasma pneumoniae in a 2-year-old girl**
Fidan Khalilova (Turkey)

14:10
P029 **Dietary intake in children with asthma**
Valentina Cvejaska Cholakovska (North Macedonia)

P031 **A spectacular sIgE drop after reintroduction diet in a case of cow's milk protein allergy (CMPA) with mixed IgE and non-IgE-mediated mechanism**
Diyana Ognyanova Ogneva (Romania)

Fri 24 Mar
14:45 - 16:15 | **Immunotherapy for food allergy**
Session

Chair : Tomás Chivato (Spain), Isabel Skypala (United Kingdom)

14:45 **Efficacy of allergen immunotherapy and different routes for desensitization**
Montserrat Fernandez Rivas (Spain)

15:10 **Safety concerns and measures in allergen-specific immunotherapy**
Thomas Eiwegger (Austria)

15:35 **Immune mechanisms of immunotherapy**
Mohamed Shamji (United Kingdom)

16:00
OA3 **Immunological changes of LTP syndrome patients after an oral immunotherapy with commercial peach juice**
Patricia Bigas (Spain)

Fri 24 Mar
16:15 - 16:45 | **Coffee Break**
Other

Fri 24 Mar
16:45 - 18:15 | **Food Allergy Management**
Session

Chair : Mohamed Shamji (United Kingdom), Montserrat Fernandez Rivas (Spain)

16:45 | **Food Allergen thresholds**
Nandinee Patel (United Kingdom)

17:10 | **Allergen avoidance and precautionary allergen labelling**
Jonathan Hourihane (Ireland)

17:35 | **Replacement products, nutritional needs and reintroduction of foods in the diet**
Isabel Skypala (United Kingdom)

18:00 | **MY006: a passive immunotherapy for the treatment of peanut allergy**
OA4
Chiara Arena (Switzerland)

Fri 24 Mar
19:00 - 19:00 | **Social Dinner**
Other

 **Saturday 25 March**

EAACI Allergy School 2023

Sat 25 Mar
09:00 - 10:30 | **Prevention of Food Allergy**
Session

Chair : Alberto Alvarez-Perea (Spain), Alexandra F. Santos (United Kingdom)

09:00 | **Early introduction of foods - the evidence**
Gideon Lack (United Kingdom)

09:25 | **Skin barrier to prevent food allergy**
Helen Brough (United Kingdom)

09:50 | **Practical aspects of introducing complementary food in infants' diet**
Rosan Meyer (United Kingdom)

10:15 | **Sensitization to Tri a 19 vs nsLTPs: what role do cofactors play?**
OA5
Valeria Motisi (Italy)

Sat 25 Mar
10:30 - 11:00 | **Coffee Break**
Other

Sat 25 Mar

11:00 - 12:15

What's new in Food Allergy

Session

Chair : Rosan Meyer (United Kingdom), Gideon Lack (United Kingdom)

11:00

Emerging diagnostics tests and monitoring tools

Alexandra F. Santos (United Kingdom)

11:25

Biologicals for food allergy

Thomas Eiwegger (Austria)

11:50

Online resources, social media and patient organisations – support out of clinic

Alberto Alvarez-Perea (Spain)

Sat 25 Mar

12:15 - 12:30

Closing remarks

Other

Sat 25 Mar

12:45 - 13:15

Light Lunch and Departures

Other
