

Fri 24 Mar  
**09:00 - 09:15** | **Welcome Address**  
Channel 1 Other

09:00 **Welcome Address**  
Mohamed Shamji (United Kingdom), Jose Luis Garcia-Abujeta (Spain), Jeanne Duus Johansen (Denmark)

---

Fri 24 Mar  
**09:15 - 10:30** | **Session 1 - Atopic Dermatitis**  
Channel 1 Session

Chair : Sigurd Broesby-Olsen (Denmark), Esther Serra Baldrich (Spain)

09:15 **The many faces of Atopic Dermatitis**  
Emma Guttman-Yassky (United States of America)

---

09:40 **Is it really Atopic Dermatitis?**  
Markus Ollert (Luxembourg)

---

10:05 **Biologicals for treatment of children and adults with moderate to severe atopic dermatitis (EAACI guidelines)**  
Peter Schmid-Grendelmeier (Switzerland)

---

Fri 24 Mar  
**10:30 - 10:40** | **Networking Break**  
Break

Fri 24 Mar  
**10:40 - 11:55** | **Session 2 – Allergic Contact Dermatitis**  
Channel 1 Session

Chair : Jeanne Duus Johansen (Denmark), Thomas Rustemeyer (Netherlands)

10:40 **European baseline patch tests 2023**  
Mark Wilkinson (United Kingdom)

---

11:05 **Occupational contact dermatitis – new emerging allergens**  
Wolfgang Uter (Germany)

---

11:30 **New and unexpected cosmetic sensitizers**  
Olivier Aerts (Belgium)

---

Fri 24 Mar  
11:55 - 12:50

Lunch Break  
Break

Fri 24 Mar  
11:55 - 12:50

Poster Session 1 - Topic 1: Contact Dermatitis  
Poster room 1 Poster Session

Chair : Pavel Kolkhir (Germany), Olivier Aerts (Belgium)

P1 **A New Allergen in Epoxy System**  
Stephanie Daccache (Saudi Arabia)

P2 **Airborne Occupational Contact Dermatitis to Polystyrene Foam in an Architecture Student - A case report**  
Helena Pires Pereira (Portugal)

P3 **Occupational airborne allergic contact dermatitis to PVA-based coating formulation in a pharmaceutical worker– a challenge case report**  
Inês Farinha (Portugal)

P4 **Contact dermatitis to essential oils: modality of uses and value of patch-tests with an essential oil series. Results of a French study of the Dermato-Allergy Group (DAG)**  
Annick BARBAUD (France)

P5 **Metal allergy: a case series**  
María del Mar Cano Mollinedo (Spain)

P6 **Localized hypertrichosis as a manifestation of aluminum hypersensitivity**  
Joana Xará (Portugal)

P7 **Chronic and relapsing hand dermatitis. Report of a case**  
María del Mar Cano Mollinedo (Spain)

P8 **Distinguish between hand eczema and palmar psoriasis**  
Vanda Bondare-Ansberga (Latvia)

Fri 24 Mar  
11:55 - 12:50

## Poster Session 1 - Topic 2: Atopic dermatitis

Poster room 2 Poster Session

Chair : Elena Petkova (Bulgaria), Charlotte Mortz (Denmark)

P11 **Epigenetic Background of Atopic Dermatitis Pathogenesis in Children**  
Elizaveta Bystritskaia (Russia)

P12 **Infants with Atopic Dermatitis and Allergy Evaluation: Helpful or Harmful? Impact of Early and Follow Up Skin Testing on Resolution and Acquisition of Food Allergies**  
Jason Ohayon (Canada)

P13 **Preventing allergen extracts (Phleum pratense and Dermatophagoides pteronyssinus) skin penetration by using emollient products specifically formulated for atopic skin**  
Regina M. Paulauskas Vasaitis (Spain)

P16 **Allergy Profile for Patients Receiving Dupilumab for Severe Atopic Dermatitis**  
Julie Riechmann (United Kingdom)

P17 **Dupilumab: a new approach for severe atopic dermatitis**  
Ana-Lisa Soares (Portugal)

Fri 24 Mar  
12:50 - 14:05

## Session 3 – Urticaria

Channel 1 Session

Chair : Martin Metz (Germany), Margarida Goncalo (Portugal)

12:50 **What to consider when diagnosing urticaria**  
Clive Grattan (United Kingdom)

13:15 **Is there a role for biomarkers in chronic urticaria**  
Pavel Kolkhir (Germany)

13:40 **EAACI/GA2LEN/EDF/WAO Guideline of Urticaria**  
Marcus Maurer (Germany)

Fri 24 Mar  
14:05 - 14:15

## Networking Break

Break

Fri 24 Mar

14:15 - 14:45

## Oral Presentations 1

Channel 1 Oral Presentations

Chair : Suzana Ljubojevic Hadzavdic (Croatia), Annalisa Santucci (Italy)

14:15

OA1

### Physicochemical, antimicrobial, and anti-inflammatory properties of vernix caseosa for its application as a topical treatment for atopic dermatitis

carolina cabalín (Chile)

14:25

OA2

### Real-World Experience in Dupilumab Dose Reduction in Atopic Dermatitis Patients

João Vieira (Portugal)

14:35

OA3

### Breaking paradigms. Eczema is more than just atopy

Eduardo Liquidano-Perez (Mexico)

Fri 24 Mar

14:45 - 15:00

## Networking Break

Break

Fri 24 Mar

15:00 - 16:15

## Session 4 – Cutaneous Drug Allergy

Channel 1 Session

Chair : Mark Wilkinson (United Kingdom), Olivier Aerts (Belgium)

15:00

### Patch testing in non-immediate drug eruptions

Margarida Goncalo (Portugal)

15:25

### Skin tests in the work-up of immediate cutaneous adverse drug reactions

Annick BARBAUD (France)

15:50

### Cutaneous reactions to vaccines

Knut Brockow (Germany)

Fri 24 Mar

16:15 - 16:30

## Networking Break

Break

Fri 24 Mar

16:30 - 17:45

## Session 5 – Food and the Skin

Channel 1 Session

Chair : Charlotte Mortz (Denmark), Teresa Caballero (Spain)

16:30 **Understanding the link between atopic dermatitis and food Allergy: recent advances**

Peter Schmid-Grendelmeier (Switzerland)

16:55 **New cuisine and cutaneous allergy: From the molecular to the "beyond"**

Jose Luis Garcia-Abujeta (Spain)

17:20 **Immediate contact reactions to food and protein contact dermatitis**

Ana Maria Giménez-Arnau (Spain)

## Saturday 25 March

SAM 2023

Sat 25 Mar

09:00 - 09:30

## Meet the experts – How to handle difficult cases – 2-3 cases to present (20 guests/ group) – case reports from moderators

Session

**Group 1 - Allergic Contact Dermatitis**

An Goossens (Belgium)

**Group 1 - Allergic Contact Dermatitis**

Suzana Ljubojevic Hadzavdic (Croatia)

**Group 2 - Atopic Dermatitis**

Esther Serra Baldrich (Spain)

**Group 2 - Atopic Dermatitis**

Marina Atanaskovic-Markovic (Serbia)

**Group 3 - Urticaria / Angioedema - Mastocytosis**

Pavel Kolkhir (Germany)

**Group 3 - Urticaria / Angioedema - Mastocytosis**

Maria Bova (Italy)

**Group 5 - Drug Allergy**

Lene Heise Garvey (Denmark)

**Group 5 - Drug Allergy**

Francesca Mori (Italy)

Sat 25 Mar  
09:30 - 09:45

## Networking Break

Break

Sat 25 Mar  
09:45 - 11:00

## Session 6 – Angioedema

Channel 1 Session

Chair : Maria Bova (Italy), Peter Schmid-Grendelmeier (Switzerland)

09:45 **Challenges in the classification of angioedema**  
Emek Kocatürk (Turkey)

10:10 **New drugs for HAE due to C1-inhibitor deficiency**  
Anna Valerieva (Bulgaria)

10:35 **Evolution of treatment goals in hereditary angioedema**  
Teresa Caballero (Spain)

Sat 25 Mar  
11:00 - 11:10

## Networking Break

Break

Sat 25 Mar  
11:10 - 12:25

## Session 7 – Hot Topic Session

Channel 1 Session

Chair : Jose Luis Garcia-Abujeta (Spain), Clive Grattan (United Kingdom)

11:10 **Novel therapeutic options in mastocytosis**  
Sigurd Broesby-Olsen (Denmark)

11:35 **Novel concept of treatment for chronic pruritus**  
Martin Metz (Germany)

12:00 **Tattoo allergy**  
Thomas Rustemeyer (Netherlands)

Sat 25 Mar  
12:25 - 13:25

## Lunch Break

Break

Sat 25 Mar  
12:25 - 13:25

## Poster Session 2 - Topic 3: Urticaria/Angioedema

Poster room 1 Poster Session

Chair : Sophia Tsabouri (Greece), Teresa Caballero (Spain)

- P18 **A Hidden Gem? When Chronic Urticaria (CU) Served as an Early Marker for Thyroid Cancer**  
Jonathan Nichilo (Canada)
- 
- P19 **Exploring the Relationship between Basophil Values and Disease Outcome in Anti-IgE-Treated Chronic Spontaneous Urticaria Patients**  
Helena Pires Pereira (Portugal)
- 
- P20 **Treatment control predictors in severe Chronic Urticaria treated with Omalizumab**  
Miguel Proenca (Portugal)
- 
- P21 **Real-world impact of treatment accessibility on disease control and quality of life among patients with chronic spontaneous urticaria: a pilot study**  
Hugo Wai Fung Mak (Hong Kong)
- 
- P22 **Angioedema in Coeliac Disease; A case report**  
Victor Morris (Ireland)
- 
- P23 **Hereditary angioedema - F XII transmitted to 2 brothers through in vitro fertilization with sperm from an anonymous donor**  
Lluis Marques (Spain)
- 
- P24 **Lanadelumab treatment in hereditary angioedema can be adjusted to patient's response**  
Duarte José Flor (France)
- 
- P25 **Cross-reactivity of shellfish and house dust mite allergens in Sri Lankan patient cohorts**  
Senuri de Silva (Sri Lanka)
- 
- P26 **Cutaneous manifestations and complications of insect venom hypersensitivity in children – experience of a single pediatric unit**  
Ioana Catalina Ionita (Romania)
-

Sat 25 Mar  
12:25 - 13:25

## Poster Session 2 - Topic 4: Drug Allergy

Poster room 2 Poster Session

Chair : Leonie Herzog (Germany), Leticia De las Vecillas (Spain)

- P27 **Cyclosporine as therapeutic option for Toxic Epidermal Necrolysis: a case report**  
Catherine Sonaly Ferreira Martins (Brazil)
- 
- P28 **Neutrophil-to-Lymphocyte Ratio for Predicting Renal Dysfunction in Patients with Stevens-Johnson Syndrome/Toxic Epidermal Necrolysis**  
Shinta Trilaksmi Dewi (Indonesia)
- 
- P29 **Carbamazepine-induced Stevens-Johnson Syndrome in a case with history of autoimmune encephalitis – pediatrician perspective**  
Andreea Lescaie (Romania)
- 
- P30 **Non-immediate Cutaneous Reactions to Antibiotics from a central hospital over a 5-year period**  
Inês Farinha (Portugal)
- 
- P31 **Generalized bullous fixed drug eruption due to lanolin contained in vitamin D supplements**  
Maria Bodnari (Romania)
- 
- P32 **Allergic contact dermatitis to benzoyl peroxide in an adolescent patient treated with topical acne treatment**  
Carmen Arrieta-Pey (Spain)
- 
- P33 **H1-antihistamines-induced urticaria confirmed by drug provocation test and CAST**  
Ileana Maria Ghiordanescu (Romania)
- 
- P34 **Real life efficacy and in vitro effect of cannabidiol in the treatment of inflammatory dermatitis**  
Marcello Albanesi (Italy)
- 
- P35 **The sex differences of house dust mite molecular components in Lithuanian atopic dermatitis, allergic rhinitis and bronchial asthma patients**  
Inga Cesnaviciute (Lithuania)
-

Sat 25 Mar

13:25 - 13:55

## Oral Presentations 2

Channel 1 Oral Presentations

Chair : Anna Valerieva (Bulgaria), Maria Bova (Italy)

13:25

OA4

### **Circulating biomarkers are associated with disease severity of chronic hand eczema and atopic dermatitis**

Anna Quaade (Denmark)

13:35

OA5

### **Protein contact dermatitis: prevalence, clinical characteristics and allergens involved**

Ana Raquel Pinto (Portugal)

Sat 25 Mar

13:55 - 14:05

## Networking Break

Break

Sat 25 Mar

14:05 - 14:55

## Session 8 – Pediatric Contact Dermatitis

Channel 1 Session

Chair : Stefania Arasi (Italy), Daniela Carvalho (Portugal)

14:05

### **Hand eczema in children: what to think about?**

Tove Agner (Denmark)

14:30

### **Important contact allergies in children**

An Goossens (Belgium)

Sat 25 Mar

14:55 - 15:15

## Closing and Prize Giving Ceremony

Channel 1 Other

14:55

### **Closing and Prize Giving Ceremony**

Jeanne Duus Johansen (Denmark), Jose Luis Garcia-Abujeta (Spain), Mohamed Shamji (United Kingdom)
