

Thu 5 Oct
07:30 - 09:00 | **Registration**
Other

Thu 5 Oct
09:00 - 10:30 | **Functional and Inflammatory diagnostic tools**
Sala Germania Practical Course

09:00 **Pulmonary Function Tests**
Alina Gherasim (France)

09:30 **Exhaled Biomarkers**
Steilos Loukidis (Greece)

10:00 **Biological samples**
Antonio Spanevello (Italy)

Thu 5 Oct
10:30 - 11:00 | **Coffee Break**
Break

Thu 5 Oct
11:00 - 12:00 | **Endotyping for experts Part 1**
Sala Germania Practical Course

11:00 **Exercise-Induced Bronchoconstriction**
Oliver Price (United Kingdom)

11:30 **Small Airways**

Thu 5 Oct
12:00 - 12:30 | **Break**
Break

Thu 5 Oct
12:30 - 13:30 | **Endotyping for experts Part 2**
Sala Germania Practical Course

12:30 NERD

13:00 TBDtitle

Thu 5 Oct
13:30 - 14:00 | **Break**
Break

Thu 5 Oct
14:00 - 14:30 | **WELCOME ADDRESSES**
Auditorium Other

Thu 5 Oct
14:30 - 15:00 | **Keynote Lecture 1**
Auditorium Keynote Lecture

14:30 **Fibrosis: a model and a target encompassing lung diseases**
LUCA RICHELDI (Italy)

Thu 5 Oct
15:00 - 16:30 | **Learn the basics of severe asthma**
Auditorium Plenary

15:00 **The role of the epithelial barrier**
Cezmi Akdis (Switzerland)

15:30 **Inflammation, luminal obstruction and mucus abnormalities**
Manali Mukherjee (Canada)

16:00 **Bronchial Hyperreactivity**

Thu 5 Oct
15:00 - 16:30

Life is life

Sala Italia Symposium

15:00 **Clinical trials vs Real-World Evidence**
G.Walter Canonica (Italy)

15:30 **Severe Asthma registries**
Ratko Djukanovic (United Kingdom)

16:00 **Multidimensional endotyping**
Ioana Agache (Romania)

Thu 5 Oct
15:00 - 16:30

United airways in severe asthma

Sala Germania Practical Course

15:00 **Local respiratory allergy and allergic rhinitis**
Ibon Eguiluz-Gracia (Spain)

15:30 **Non-allergic rhinitis and asthma**

16:00 **Treatment on chronic rhinitis and impact on asthma**
Philippe Gevaert (Belgium)

Thu 5 Oct
16:30 - 17:00

Coffee Break

Break

Thu 5 Oct
17:00 - 18:30

Precision Medicine: the Genesis

Auditorium Plenary

17:00 **Genome-wide association studies in severe asthma**
Eugene Bleeker (United States of America)

17:30 **Epigenetics in severe asthma**
Paul Lavender (United Kingdom)

18:00 **The genetic variability of treatment response in severe asthma**

Thu 5 Oct
17:00 - 18:30

Microbial triggers of asthma exacerbations

Sala Italia Symposium

17:00 **Viral infections and vaccinations**
Sebastian Johnston (United Kingdom)

17:30 **Bacterial infections and antibiotics**

18:00 **Fungi and antimicrobial therapy**
David Denning (United Kingdom)

Thu 5 Oct
17:00 - 18:30

Therapeutic implications of the comorbidities of severe allergic asthma

Sala Germania Practical Course

17:00 **Atopic dermatitis**
Mattia Giovannini (Italy)

17:30 **IgE-mediated food allergy**
Amelia Licari (Italy)

18:00 **Treating allergic multimorbidity during childhood**
Nikolaos Papadopoulos (Greece)

Thu 5 Oct
18:30 - 20:00

Poster Session 1 with Welcome Reception

Poster discussion session

 Friday 6 October

EAACI ISAF 2023

Fri 6 Oct
07:30 - 08:30

How to set up and Asthma Center of excellence

Sala Germania Meet the expert

07:30 **How to set up and Asthma Center of excellence**
David Jackson (United Kingdom)

Fri 6 Oct
08:30 - 09:00

Keynote Lecture 2

Auditorium Keynote Lecture

08:30 **Guidelines will guide you home: The GINA**

Fri 6 Oct
09:00 - 10:30

Solve problems with bioLOGIC

Auditorium Plenary

09:00 **Biomarker versus outcome-driven biologic choice**
Steilos Loukidis (Greece)

09:30 **Biologic switching: why, when and in whom**
David Jackson (United Kingdom)

10:00 **Safety and efficacy of combined biologic strategies**

Fri 6 Oct
09:00 - 10:30

Growing-up through severe asthma

Sala Italia Symposium

09:00 **Managing asthma during pregnancy**
Apostolos Bossios (Sweden)

09:30 **Breast-feeding and maternal exposure**

10:00 **Asthma in infancy and adolescence**

Fri 6 Oct
09:00 - 10:30

Oral Presentations 1

Sala Germania Oral Presentations

Fri 6 Oct
10:30 - 11:00

Coffee Break

Break

Fri 6 Oct
11:00 - 12:30

Resolution: beyond asthma control

Auditorium Plenary

11:00 **The concept of asthma remission**
Matteo Bonini (Italy)

11:30 **Defining super-responders**
Ian Pavord (United Kingdom)

12:00 **Can biologics be considered disease modifying agents?**
Christian Virchow (Germany)

Fri 6 Oct
11:00 - 12:30

Is there a role for allergen immunotherapy in severe asthma?

Sala Italia Symposium

11:00 **Diagnosis of allergic asthma – recommendations of the EAACI Guidelines**

Ibon Eguiluz-Gracia (Spain)

11:30 **Lessons from the clinical trials**

Marek Jutel (Poland)

12:00 **Biomarkers for allergen immunotherapy in asthma**

Fri 6 Oct
11:00 - 12:30

Targeted treatment in severe asthma

Sala Germania Practical Course

11:00 **Small molecules**

11:30 **Therapeutic options for non T2 asthma**

Ratko Djukanovic (United Kingdom)

12:00 **Environmental control**

Isabella Annesi-Maesano (France)

Fri 6 Oct
12:30 - 14:00

Lunch

Break

Fri 6 Oct
14:00 - 14:40

Asthma endotypes: static or fluid entities?

Sala Germania Pro-Con

14:00 **Pro**

Enrico Heffler (Italy)

14:15 **Con**

Manali Mukherjee (Canada)

14:30 **Pro-rebuttal**

14:35 **Con-rebuttal**

Fri 6 Oct
14:00 - 15:30 | **(Don't) leave the kids alone**
Auditorium Plenary

14:00 **Prevalence and phenotypes of pediatric asthma**
Nikolaos Papadopoulos (Greece)

14:30 **Diagnosis**
Louise Fleming (United Kingdom)

15:00 **Management**
Sejal Saglani (United Kingdom)

Fri 6 Oct
14:00 - 15:30 | **Novel targets in severe asthma**
Sala Italia Symposium

14:00 **Epithelial derived cytokines**
Celeste Porsbjerg (Denmark)

14:30 **Neurogenic inflammation in asthma**
Mariana Couto (Portugal)

15:00 **The airway smooth muscle cells**

Fri 6 Oct
14:45 - 15:25 | **High dose ICS before biological?**
Sala Germania Pro-Con

14:45 **Pro**
G.Walter Canonica (Italy)

15:00 **Con**

15:15 **Pro-rebuttal**

15:20 **Con-rebuttal**

Fri 6 Oct
15:30 - 16:00 | **Break**
Break

Fri 6 Oct
16:00 - 17:30 | **The influence of the exposome**
Auditorium Plenary

16:00 **Allergens**

16:30 **Pollutants and Smoking**
Isabella Annesi-Maesano (France)

17:00 **The microbiome**
Liam O'Mahony (Ireland)

Fri 6 Oct
16:00 - 17:30 | **New Frontiers in Asthma**
Sala Italia Symposium

16:00 **The value of induced sputum**
Antonio Spanevello (Italy)

16:30 **Predictive markers of asthma remission**
Liam Heaney (United Kingdom)

17:00 **Anti-inflammatory relievers (AIR)**
Alberto Papi (Italy)

Fri 6 Oct
16:00 - 17:30 | **Oral Presentations 2**
Sala Germania Oral Presentations

 Saturday 7 October

EAACI ISAF 2023

Sat 7 Oct
07:30 - 08:30 | **The Asthma Section world**
Sala Germania Meet the expert

Sat 7 Oct
08:30 - 09:00 | **Keynote Lecture 3**
Auditorium Keynote Lecture

08:30 **Research Priorities in Severe Asthma: the EAACI view**
Stefano Del Giacco (Italy)

Sat 7 Oct
09:00 - 09:40

Biologics in GINA Step 4

Sala Germania Pro-Con

09:00 **Pro**

09:15 **Con**

Christian Virchow (Germany)

09:30 **Pro-rebutal**

09:35 **Con-rebutal**

Sat 7 Oct
09:00 - 10:30

Comorbidities in Severe Asthma

Auditorium Plenary

09:00 **CRS**

Philippe Gevaert (Belgium)

09:30 **Esophageal diseases**

Enrico Heffler (Italy)

10:00 **Obesity**

Andre Moreira (Portugal)

Sat 7 Oct
09:00 - 10:30

Triple therapy in severe asthma

Sala Italia Symposium

09:00 **The anti-inflammatory effect of LAMA**

09:30 **Clinical trials-summary of evidence**

Luis Pérez de Llano (Spain)

10:00 **Is there a specific phenotype benefitting better from LAMA?**

Cristiano Caruso (Italy)

Sat 7 Oct
09:45 - 10:25 | **Is GINA Step 1 and Step 2 mild astham?**
Sala Germania Pro-Con

09:45 **Pro**

10:00 **Con**

10:15 **Pro-rebutal**

10:20 **Con-rebutal**

Sat 7 Oct
10:30 - 11:00 | **Break**
Break

Sat 7 Oct
11:00 - 12:30 | **Severe Asthma: Tech it easy!**
Auditorium Plenary

11:00 **Electronic health**

11:30 **Smart inhalers**
Federico Lavorini (Italy)

12:00 **Computational modeling to understand the development of asthma**

Sat 7 Oct
11:00 - 12:30 | **The central role of patients in severe asthma**
Sala Italia Symposium

11:00 **Adherence and inhalation technique**

11:30 **PROS and PRES**
Audrey Dunn Galvin (Ireland)

12:00 **MCID in severe asthma**
Alina Gherasim (France)

Sat 7 Oct

11:00 - 12:30

Inflammatory pathways in severe asthma

Sala Germania Practical Course

11:00 **Innate immunity in severe asthma**

Celeste Porsbjerg (Denmark)

11:30 **T2 immune response**

12:00 **Th17 pathway in severe asthma**

Sat 7 Oct

12:30 - 13:00

Closing addresses

Other
