Workshops schedule

Allergy School 2024

Insect Venom Hypersensitivity and Mastocytosis

19 - 21 September 2024

Bilbao, Spain

Friday, 20 September, 11:00 -13:15 Workshop Session 1 (Topics 1-3)

Note:			
Sessions will run simultaneously in rotation across 3 rooms, ensuring that each attendee has the opportunity to attend all sessions. Participants will be divided into three groups, identified by colour: Red, Green, and Yellow. Please pick up your group colour at the EAACI Registration desk upon arrival. Each group has a specific capacity due to safety regulations. Please follow the colour of the group assigned to you and attend sessions accordingly.
